

Free Must-Have iPad Apps For Grammar and Vocabulary

Bluster! - This word matching game develops vocabulary and word understanding for school-aged children, or anyone brave enough to battle the elements. Shine bright in single-player mode as you learn and practice important word skills or collaborate with a friend in team mode. Bluster includes over 800 vocabulary words.

Grammar Dragon - The grammar dragon has captured all of your friends from the castle. You must rescue a different person on each level by correctly identifying various parts of speech. This app is appropriate for grades 2 through 6.

Grammar Fun Free - Grammar Fun allows kids of all ages to learn correct grammar by matching grammatical constructs (noun, verb, adjective, and adverb) to the corresponding words in a sentence. This free version contains a limited number of sentences.

Grammar Jammers Primary Edition - Grammar Jammers animations will have you tapping your toes to the beat while learning grammar usage and mechanics. Each animation unlocks a quiz. Answer all the quiz questions for all the Grammar Jammers topics and unlock an interactive reward. This app includes quiz questions on: adjectives, contractions, nouns, pronouns, punctuation, sentences, and verbs.

Imangi - Imangi is mind-twisting, space-bending word mastery at its best. Simply slide rows and columns to create the highest-scoring arrangement of words possible.

iTooch English Grade 5 Lite – This app includes nine free chapters with information and quizzes on grammar, vocabulary, and spelling.

Kids Word Match HD – This app includes hundreds of commonly used words, corresponding pictures, and pronunciation. It is a fun way for kids to learn spelling and pronunciation of the words.

Learn English the Fun Way - Learn English the fun way with Baby Carrot's sentence, word, and grammar matching lessons. You get to do simple exercises like matching an animal to its picture to more complicated exercises where you will need to choose the correct picture from a short description.

PCS Vocabulary Memory - This memory app is great for general education students as well as students with autism, Down Syndrome, and language delays. The app includes a free animals memory board. You can also purchase more than 30 Memory boards in more than a dozen categories directly from the app.

Practice English Grammar 2 - Practice English Grammar contains many pages of grammar lessons explaining the grammar topics of the tests. With over 500 questions in 16 topics, this app helps you practice the basic usage of English grammar.

SAT 1500 Words Challenge – This app features a challenging and interactive game against other online users in REAL TIME. In addition to a vocabulary list with definitions, audio, and sample sentences, the interactive game will make the learning of the vocabulary much more fun.

SparkleFish - With SparkleFish you can record creative words in your own voice for playback inside surprising, ad-lib stories. It comes with four stories for free.

Vocabulary - Vocabulary allows you to view the word of the day from several sources on the Internet. Test your knowledge with an addictive quiz game that tests you with the words you've seen so far.

Vocabulary Builder 1 - With the beautiful and attractive graphics, children can learn vocabulary simply by dragging the correct word to the corresponding pictures. Children can tap the word to hear the word spoken if they are not able to read or recognize the word. The app includes human body parts and animal body parts.

Vocabulary Builder 2 – This app contains words related to the family tree, common action verbs, and shapes.

Vocabulary Central Grade 6 – This app from Pearson Education offers selection specific and academic support activities such as interactive flashcards, songs, and trivia games.
