Fax (281) 328-3588

**Daily Cleaning**

- All high touch areas such as exterior door handles, door panic bars, and classroom door handles will be disinfected during the day.
- All restroom surfaces will be disinfected every 60-90 minutes.

**After-Hour Room Sanitizing**

- Spray all desks, chairs, and high touch surfaces at the end of each day.
- Sweep floors and wet mop floor areas.
- Vacuum rugs.
- Electrostatic spray classrooms on a rotating basis.
- Restrooms – Spray all restroom surfaces with disinfecting bathroom cleaner.
- Remove all trash from all wastebaskets.

**Immediate Cleaning and Disinfecting**

- All areas occupied by a student or staff member who becomes ill will be sanitized immediately

**Campus/Facilities**

- In appropriate situations (and to the extent possible), protective measures will be incorporated into campuses and facilities
  - i.e. plexiglass dividers and spacing of furnishings
