

Crosby ISD Transportation Protocols for Covid-19

2021-22 School Year

- Transportation staff and student requirements:
 - Self-monitor for Covid-19 symptoms before coming to work or to the bus
 - Sanitize hands upon entry to the building or the bus (provided)
 - Face masks or shields are optional

- Transporting Students:
 - Abbreviated group bus stops will be used for all grade levels for time and efficiency purposes
 - Students must register for the bus
 - Assigned seats are required and ridership will be documented

- Cleaning & Sanitizing Buses
 - Bus seats and high traffic areas will be cleaned regularly
 - Bus windows and/or roof hatches will be kept open as feasible to allow fresh airflow

- Daycares will be transported with the same requirements as other elementary bus riders

- Special Education
 - Students who require transportation as a related service will be served in accordance with their IEP
 - Masks or face shields are optional
